

## Domestic and Residential Licencing Course

### COURSE OVERVIEW

The Service Trades College Australia offers this Domestic and Residential Licencing Course to meet the Queensland Building and Construction Commission (QBCC) requirements for the Domestic and Residential license endorsement.

### WHY CHOOSE THIS COURSE?

The *Domestic & Residential course* is intended to assess participants on the skills and knowledge necessary to maintain & test residential fire sprinkler systems in accordance with Australian Standards and regulatory requirements. The Statement of Attainment for individual units of competency are recognised by the QBCC as the successful completion of technical requirements for the Domestic & Residential endorsement of the licence Water Plumber – Fire Protection (Domestic & Residential).

### HOW MUCH WILL IT BE?

The fee for the course will be \$2,075, please note you may be eligible for funding .

Upon completion of all requirements, you will receive your Statement of attainment.

### ENTRY REQUIREMENTS

It is a requirement of this course that you are a licensed **Sprinkler Fitter**.

It is recommended that participants also have:

- An intermediate level of numeracy, literacy and computer skills
- Access to relevant Australian Standards, Codes, Legislation and other relevant documentation

### WHEN AND WHERE?

The delivery mode for this qualification is face to face. The participant is asked to attend a 2 week workshop at our Salisbury Campus (South Brisbane).

### ASSESSMENT

The course requires the attendance of a 2 week workshop where assessment and practical tasks will be undertaken.

The course content contains both calculations and formulas and failure to undertake the pre-reading and assignment tasks will jeopardise a successful outcome.

### OUTCOMES:

On successful completion of all assessment requirements for all units of competency, Participants will be issued with a Statement of Attainment. Successful Completion of this course will allow the Participant to apply to the QBCC for the Domestic and Residential endorsement on their license – Water Plumber – Fire Protection (Domestic and Residential).
